Hi,

My name is Mario, and I am an intended parent. I plan to pursue surrogacy overseas to fulfill my dream of becoming a father. I am a single man by choice, but I have always wanted to be a dad. My parents love me so much, and I would like to pass that love on to my child.

I have tried to find an egg donor and surrogate in Australia. However, it has taken a long time to find someone willing to help, and a few people withdrew at the last minute, wasting several years. I am not young anymore, and I cannot keep waiting and begging others to assist me. Therefore, I would like to explore surrogacy options overseas.

Thank you for your understanding.

Best regards,
Mario
