Dear Mr Glanfield

CONSULTATION ON THE PROPOSED DUST DISEASES TRIBUNAL REGULATION 2013

Thank you for your letter concerning the proposed changes to the Claims Resolution Process (CRP) under the Dust Diseases Tribunal Regulation 2013. The Insurance Council of Australia (ICA) appreciates the opportunity to comment on the proposed changes.

The ICA participated in the Asbestos Review in 2008 and made specific submissions in our letter dated 1 August 2008. At this stage the ICA does not wish to raise any further specific matters in response to the proposed regulation or the Regulatory Impact Statement. However, we would appreciate receiving further information from you once the consultation process has been finalised.

If you have any questions or comments, please do not hesitate to contact Justine Hall, Senior Policy Advisor Consumer Relations and Market Development on (02) 9253 5122 or jhall@insurancecouncil.com.au.

Yours sincerely

Robert Whelan
