DCJ Caseworkers - Quarterly Data

DCJ Caseworkers - Annual Data

^{*} Except data reported in District Subtotal, Statewide Subtotal and Total, the '-' symbol is used for Vacancies % where the number of Funded FTE is less than the number of Actual FTE.

[†] Figures presented in the dashboard are rounded and this may result in discrepancies between the sums of component items and their totals.

[‡] The Funded FTE change between 2011-12 and 2012-13 reflects the transfer of Brighter Futures caseworker resources (117 FTE) to the NGO sector.

[§] A weighted average has been applied to the Funded and Actual FTE to account for the increase in funded places for final quarter reporting in 2017-18 and 2018-19. The numbers previously reported in 2017-18 have been revised to reflect this.
