### Agency overview

The NSW Reconstruction Authority (the Authority) is a statutory corporation within Planning, Housing & Infrastructure. The Authority will improve how NSW plans for disasters and help communities to recover from them faster.

To reduce the severity and impacts of disasters, the Authority will complete critical planning and preparation with communities, businesses, and government. When disaster does strike, we will get recovery started swiftly and coordinate reconstruction efforts across agencies, communities, and other stakeholders.

### Primary purpose of the role

The Senior Project Officer manages and coordinates the development, implementation and evaluation of complex projects to achieve project outcomes and support the achievement of organisational objectives.

### Key accountabilities

- Manage and oversee all aspects of project planning, development and implementation for a range of projects, including developing project plans, coordinating resources, managing budgets, meeting reporting requirements, and supporting project-related activities, to ensure project outcomes are achieved on time, on budget, to quality standards and within agreed scope in line with established agency project management methodology
- Establish and maintain stakeholder relationships through effective communication, negotiation and issues management to engage stakeholders and ensure project deliverables are met
- Monitor and evaluate all aspects of project implementation, including risk and contingency management, benefits realisation, project impact and quality measures, to identify and address issues, assess project progress and effectiveness, and achieve project outcomes
- Manage a project team/s, ensuring compliance with governance and quality requirements, to successfully deliver all key project/s milestones and outcomes
- Undertake research and formulate recommendations to support evidence-based project planning and decision making

- Provide advice and information to stakeholders on emerging project issues and to support project development and delivery in line with established plans, budgets, timeframes, policy objectives and other project and priorities.

## Key challenges

- Managing consultations and negotiations with diverse stakeholders, within agreed timelines, given their varying expectations, viewpoints and interests
- Achieving project deadlines and milestones to the required standards and within budget, given the need to simultaneously coordinate and deliver multiple projects which are often complex and interconnected.
