Department of Communities and Justice (DCJ) Primary Prevention Multi-Year Partnership Grant Program Frequently Asked Questions (FAQ) Template

Introduction

The NSW Primary Prevention Multi-Year Partnerships (MYP) Grant Program FAQ lists the most commonly asked questions and responses regarding the grant program and are developed to assist potential applicants.

FAQ topics and questions

These FAQs are for the [MYP Grant Program](#) and are intended to accompany the [MYP Grant Program Guidelines](#). Questions and answers below are grouped in topics in the same order as they appear in the Guidelines.

Overview of the Grant

Q: What is the MYP Grant Program?

A: This MYP grant program is a three-year program that will support organisations to deliver primary prevention of Domestic Family and Sexual Violence (DFSV).

The grant program offers \$4.25 million to a wide range of organisations that undertake existing primary prevention initiatives (including engaging men and boys) in NSW to ensure that existing investment is leveraged, and meaningful outcomes can be evaluated.

Q: What are the aims and objectives of the Program?

A: The MYP Grant Program aims to achieve the following objectives:

- i. Establish a consistent and coordinated approach to primary prevention across NSW.
- ii. Strengthen primary prevention coordination and collaboration across the state.
- iii. Provide opportunities for capacity building within the NSW DFSV sector and community to identify and support all individuals impacted by, or are at risk of violence, particularly in diverse communities.
- iv. Foster attitudes, norms, and practices in communities and individuals that support gender equality and prevent DFSV.

Q: What kind of organisations are eligible to apply?

A: All applicants are required to meet the following eligibility criteria:

- i. be an eligible legal entity located in NSW, including:

- Local government organisations, including:
 - NSW local councils operating under the Local Government Act 1993 (LG Act)
 - Joint Organisations (s4000 of the LG Act)
 - County Councils (s383 of the LG Act)
 - Regional Organisations of Councils (which are voluntary groupings of councils).
- Aboriginal Community Controlled Organisation (ACCO) – these applicants will be required to provide documentation to support their ACCO status
- Incorporated organisation registered and approved as a not-for-profit body by NSW Fair Trading. Not-for-profit organisations will be considered eligible, if they are:
 - incorporated organisations that are registered and approved as not-for-profit bodies by NSW Fair Trading
 - not-for profit companies limited by guarantee, registered in NSW (must have ACNC registration and/or DGR status)
 - Indigenous Corporations (must be registered with the Office of the Registrar of Indigenous Corporations)
 - NSW Local Aboriginal Land Councils
 - religious organisations operating in NSW
 - NSW non-government organisations established under their own Act of Parliament.
- ii. be able to enter into a grant funding agreement with Department of Communities and Justice
- iii. have an Australian bank account
- iv. have an Australian Business Number (ABN)
- v. have appropriate insurance; this must include but is not limited to a minimum of \$10 million Public Liability Insurance
- vi. address the NSW National Redress Scheme sanctions (included in this template),

Note: Only eligible EOI applicants who are assessed and recommended will be invited to submit an application for the Stage 2 Full Grant Application assessment process.

Note: for the purposes of this grant program, organisations deemed to be ‘incorporated not-for-profit community organisations’ include:

- incorporated organisations that are registered and approved as not-for-profit bodies by NSW Fair Trading
- not-for profit companies limited by guarantee, registered in NSW (must have ACNC registration and/or DGR status)
- associations (registered under the Associations Incorporation Act 2009 with NSW Fair Trading)
- NSW Local Aboriginal Land Councils
- religious organisations operating in NSW
- NSW non-government organisations established under an Act of Parliament.

Q: Can not-for-profit groups make a joint application?

A: Yes. We recognise that some organisations may want to join together as a consortium (group of organisations) to deliver a DFSV Primary Prevention proposal. Note that partnerships are working together not a financial formal arrangement.

In these circumstances, you must appoint a 'lead organisation'. The lead organisation is required to satisfy all the eligibility criteria. Only the lead organisation can submit the application form and enter into a grant funding agreement with DCJ. You will be asked to identify all other members of the consortium in the application.

If a subcontracting arrangement is required please review the DCJ subcontracting policy.

Q: What are the funding amounts we can apply for?

A: The total amount of funding that is available for this grant program is \$4.25 million for proposals of projects or initiatives to be delivered over Financial Year 2025-26, 2026-2027 and 2027-28.

The maximum funding value that can be applied for through this grant program is \$500,000 over the three-year period. Consideration may be given to applications that exceed the \$500,000 limit.

Q: Does the program include funding categories?

A: No

What can the MYP grant funds be used for

Q: What can we use the grant funds for?

A: Funds can only be used for expenses/activities directly associated to the project. The application must clearly outline your proposed expenditure in the budget you submit with your application.

Q: What are we not allowed to spend grant funding on?

A: Organisations must not use the money provided for the project, nor any interest earned on the money, for any other purpose beyond what is specified in the approved project description

Items or activities that funding cannot be used for include:

- Any activity of a commercial nature that is for profit
- Existing debt or budget deficits
- Capital works, including building work
- Permanent salaries/wages (costs for temporary tutors/instructors for your program or activity can be included)
- Permanent equipment purchases, for example tables and computers
- Business as usual costs or general operating expenses
- Programs or activities that encourage gambling such as bingo, or the consumption of alcohol
- Programs and activities coordinated by NSW Government Departments and Statutory Authorities
- The same project twice. For example, two different organisations cannot apply for funds for the same program or activity.

Q: Can we receive funding if we've already received an insurance payment, government grant or government funding?

A: No, not for the same program or proposal.

Q: Can we apply for a project that has already started?

A: Yes. The MYP Grant Program will support existing community-based primary prevention programs that have demonstrated promise but are facing funding cliffs or challenges in expanding and scaling their delivery.

Q: What is subcontracting?

A: For the purposes of these grants, "subcontracting" refers to an arrangement between your organisation and one or more other organisations/individuals (referred to as "subcontractors") to assist your organisation to provide services funded through your grant. In some cases, all the service delivery may be undertaken by the subcontractor. A subcontracting arrangement requires the eligible organisation to enter into an agreement with the subcontractor to conduct the work, but the applicant (lead) organisation will retain the contractual obligations to DCJ under the Grant Funding Agreement for delivery and accountability. For this reason, it's important you carry out the necessary due diligence before entering into such an agreement and applying for a grant on one or more subcontractors' behalf'.

Q: Is subcontracting the same as auspicing?

A: Yes. Please note the term "subcontracting" is used for the purposes of this grant program.

- iii. **Capacity Building within Organisations:** Strengthened organisational capabilities to deliver impactful, scalable, and sustainable primary prevention programs.

A: Any major variations to the approved purposes outlined in your original application form on SmartyGrants must be formally requested and approved in writing before any related work takes place, as your application form will form part of your legally binding Grant Funding Agreement with DCJ. Failure to do so may result in you being required to return the grant monies in full. To discuss a variation, please contact the Grants team by email grantdesignandsupport@dcj.nsw.gov.au.
