Marian St Theatre for Young People

Youth Arts | Drama | Community

MSTYP is one of Sydney's oldest Youth Arts and Children's Theatres.

We believe participating in the performing arts has the capacity to **change lives** and to **change outlook** in young people. It **inspires**, creates **empathy** and allows us to **imagine** an incredible world outside our own shoes.

For young people it has the power to give **VOICE** and empower a group of people that mostly have little power or voice.

We exist to give every young person the opportunity to encounter a story – to connect to, to collaborate, and to create for themselves.
