

# Filling in the puzzle

The bigger picture of engagement

**Seniors Rights Service is a community organisation dedicated to protecting and advancing the rights of older people, particularly vulnerable and disadvantaged groups.**

We provide a free legal service, aged care advocacy, provide social support and deliver community information of relevance to older people in New South Wales.

We listen to the voices of older people from diverse backgrounds so that we can improve our understanding of their specific needs and respond appropriately.

Our services are free, independent and confidential.

Seniors Rights Service acknowledges the Traditional Custodians of Country throughout Australia and recognises their continuing connection to land, waters and culture. We pay our respects to their Elders past, present and emerging.
