Agency overview

The NSW Reconstruction Authority (the Authority) is a statutory corporation within Planning, Housing and Infrastructure. The Authority will improve how NSW plans for disasters and help communities to recover from them faster.

To reduce the severity and impacts of disasters, the Authority will complete critical planning and preparation with communities, NGOs, businesses, and government. When disaster does strike, we will get recovery started swiftly and coordinate reconstruction efforts across agencies, communities, and other stakeholders.

Primary purpose of the role

The Project Officer performs project management and support activities to contribute to the delivery of the Resilient Homes Program (RHP) in line with established objectives.

Key accountabilities

- Provide project management and support services, including preparation of reports and briefs, coordinating resources, maintaining project documentation and implementing and monitoring project plans, to ensure project outcomes are achieved on time, on budget, to quality standards and within agreed scope.
- Prepare and maintain project documentation for reporting, monitoring and evaluation purposes to ensure accessibility of quality information and contribute to the achievement of project outcomes.
- Communicate with key stakeholders and coordinate working groups, committees and consultations to facilitate exchange of information and support project completion in line with project plans.
- Source, collate and compile data and information to identify emerging issues and track and report on project progress against established milestones and deliverables.
- Undertake research and analysis, identifying trends and preparing project briefs, to support informed decision-making and planning.

Key challenges

- Delivering a range of project management and customer support services, given tight deadlines, limited resources and the need to manage competing priorities.
