Q: What is subcontracting?

In simple terms, for the purposes of these grants “subcontracting” refers to an arrangement between your organisation and one or more other organisations/individuals (referred to as “subcontractors”) to assist your organisation to provide services funded through your grant. In some cases all the service delivery may be undertaken by the subcontractor. A subcontracting arrangement requires the eligible organisation to enter into an agreement with the subcontractor to conduct the work, but the applicant (lead) organisation will retain the contractual obligations to DCJ under the Grant Funding Agreement for delivery and accountability. For this reason, it's important you carry out the necessary due diligence before entering into such an agreement and applying for a grant on one or more subcontractors' behalf'.

DCJ will only provide a grant to a single organisation. Organisations can work together through one lead organisation using subcontracting arrangements between them.

For more information about subcontracting, please refer to the NSW Seniors Festival Grant FAQ's and the DCJ [subcontracting](#) policy.
